F. No. AICTE/AB/WR/Misc/2016-17

.12.2016

To

The Principal / Director of All AICTE Approved Institutions

Subject: Promotion of Sports Activities in technical Institutions-reg.

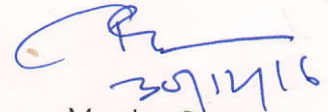

Sir,

Sports and physical education are fundamental to the development of youth and the skills learnt during the play. It contributes to the holistic development of the youth. Through participation in the sports and physical education the students learn leadership, sharing, team spirit, tolerance etc to add to their personality traits.

2 The technical Institutes may play vital role in encouraging sports & physical education. AICTE has made certain provisions in APH 2016-17 to encourage sports activities. Apart from this it is desirable that all the technical institutes shall have sufficient sports facilities. Sports activities may also be encouraged after academic hours. The students may be encouraged to participate in inter college / university and State / National level competitions by offering suitable incentives. Such students who excel in sports may find it easier to get absorbed by Corporate bodies.

3 Development of sports in technical Institutions will also help in upholding the vision envisaged in the "UNNAT BHARAT ABHIYAN" of MHRD.

Yours faithfully,
