

Q:	Where to send the queries related to portal and approval related issues for the approval process 2023-24?
	If I have the problem with respect to application while applying, whom to contact and where to contact?
A:	Institutes are requested to raise queries only through online Central Support System (CSS) available on AICTE website under Approval Process 2023-24 quick links. No queries through email will be entertained.
Q	Can a New Institute apply for UG and PG in Engineering and Technology?
A:	No, Institute can opt for UG program and for PG Courses Institute shall require NBA.
Q:	How much land is required for Establishment of New Engineering College with UG program?
A:	There is no such minimum land requirement. Provided Institute should have required built up area and land as per FSI/FAR as applicable (Rural / Urban/ Mega/Metro Cities).
Q:	Is Approval for New and Existing Pharmacy and Architecture Institute / Program discontinued?
A:	Yes, as per Hon'ble Apex Court Order.
Q:	Can new Institute apply for multiple programs?
A:	Yes, New Institute may apply for one or more Program(s) / Level(s)
Q:	Which courses can a New Institute opt ?
A:	New Institute is required to opt for minimum THREE core branches and ONE Emerging area course.
Q:	If New Institute apply for Multiple Program for UG (E&T) and MBA what will be the Security Deposit amount ?
A:	The Security Deposit shall be addition of all Program (s) / Level (s) applied for.
Q:	How many Emerging Courses can a New Institute opt?
A:	New Institute is required to opt for THREE core branches and ONE Emerging area in Engineering and Technology and other courses can be opted in Emerging Area with maximum celling of 360 in each Level (s).
Q:	As a new institute on which website , I can submit the application?
A:	The New Institution is required to visit NSWS website to create login credentials & select AICTE approval under approval tab for navigating to AICTE portal.
Q:	For existing institutions applying for only EoA is it mandatory to update faculty/Infrastructure/other details before submission of application?
A:	One-minute submission of application provision is made available for only EoA cases with effect from 2023-24. For only EoA cases Institute may update the details of faculty / Infrastructure / etc after issuance of EoA.
Q:	How many divisions can a new institution apply for Under Graduate/ Diploma Engineering and Technology?

A:	Institute may apply for divisions size 30/60 with maximum allowed intake of 360.
Q:	Institute is having NBA for Mechanical Engineering since 2018. Can I increase the intake of Mechanical Engineering from 180 to 240?
A:	The institute may utilize the NBA for increasing intake from 180 to 240 provided that the NBA for Mechanical Engineering is not utilized for the span of six years.
Q:	Can a Private Institute use a name as National Heritage Institute ?
A:	As per the provisions in the APH clause 1.5.4, the self-finance / private Institute cannot use the words such as Indian/ National/ etc. in the name of the institution.
Q:	Can a New / Existing Institute use an existing Institute name?
A:	As per the provisions in the APH clause 1.5.5, Applicants shall NOT use the names of the existing Institutions within the State. The existing Institutions having the same names run by the same/different Society/Trust/Company within the State/UT shall at least add the name of the Village/Town/City where it is located as an integral part of the name of the Institution.
Q:	Does AICTE allow Arts and Science Courses in an Institution offering Engineering Courses?
A:	Conduct of any other Academic Courses (Technical/Non-Technical): The Institutions may conduct Academic Courses (Technical/ Non-Technical of any other Regulatory Body) using the existing facilities in excess or by creating additional facilities as per the provisions laid down in the norms and standards of the respective Regulatory Bodywithout affecting the quality of education prescribed by all the Regulatory Bodies after taking NOC from the Council following the procedure specified in the Approval Process Handbook. However, the Applicant has to make Material/ Non-Material amendment of the Building Plan, Site Plan, etc. approved by the concerned Competent Authority (if applicable) to suit the requirements of the new Programme/Level.
	The total land required shall be the highest amongst the programs/ levels being offered by the Institute. However, institute shall have sufficient built up area to cover all the requirements of ALL the programs/ levels conducted as per the provisions of Approval Process Handbook.
	The institute shall extend to provide ample space for play-ground (owned or hired) facilities for indoor and outdoor sports for the students either in the Campus or through arrangements with other adjacent Institutions, Corporation grounds, private facilities, etc.
	*Institute may apply to council accordingly for NOC.
Q:	
Q.	Whether establishment of a new Technical Institution to offer Courses in Engineering and Technology is permissible in Academic Year 2023-24?

A:	Yes. In case of Engineering and Technology at least THREE core branches and ONE emerging area course shall
	be opted. The Core branch and emerging are listed in Clause 1.5.7.
	Core branches: Agriculture Engineering, Automobile Engineering, Chemical Engineering, Civil Engineering,
	Computer Science, Electrical Engineering, Electronics Engineering, Electronics and Telecommunication
	Engineering, Food Technology, Industrial Engineering, Instrumentation, Mechanical Engineering, Metallurgy,
	Mining Engineering and Textile Engineering.
	Emerging area courses: Microelectronics and VLSI, Smart Mobility, EV-Technology, Transportation, Highway
	Engineering, Renewable Energy, Climate Change, Earth System Sciences, 5G, Sustainable Development &
	Circular Economy, Waste Management, Product Design, CRISPR Cas – 9, Artificial Intelligence (AI), Internet of
	Things (IoT), Embedded SW, Internet SW, Mobility, Analytics, Cloud Computing, Block Chain, Data Sciences,
0.	Cyber Security, 3D Printing and Design, Augmented Reality, Virtual Reality (AR/VR), Quantum Computing
Q:	Will the Institution get a chance to submit the compliance of deficiencies (if any) before the scrutiny
Δ.	Re-Scrutiny committee?
A:	Yes , Institute can submit the compliance.
Q:	a. Whether MCA/ MBA Department of Arts and Science College is eligible to apply for AICTE approval?
	b. Whether AICTE approval is needed for running MCA Course in our Arts and Science College?
A :	For a and b: Yes. Refer Clause 1.3.5 of APH 2023-24. In case of non-Technical Institutions seeking
	approval for conducting MCA/ MBA and University Departments/ Constituent Colleges seeking
	approval for conducting MCA/ MBA/ M.Tech. Programmes apart from their existing Courses,
	separate building and Principal are NOT required. However, in such cases all other norms (as per
	APH 2023-24) such as separate Head of the Department, Faculty, Infrastructure, Built-Up area,
	etc. should be fulfilled.
Q:	Can we apply for closure of the existing Institution and open a new Institution at the same
	premises?
A:	Yes.
Q:	Whether a New Institution is obligated to appoint a Principal and Faculty at the time of application
	for approval or subsequent to approval before commencement of the Course? Whether the
	Faculty to be appointed are for the First Year of the Course or for the entire period of the
	Course?
A:	The New Institution is obligated to appoint a Principal and Faculty before the commencement of the
	Course. The Faculty to be appointed are for the First Year of the Course and it will be progressively
	done each year so that when an Expert Visit Committee (EVC) conducted any time before the first
	batch of students has passed out, the availability of the facilities of an Institution as per the norms
	in Approval Process Handbook be verified.
Q:	We have got the first approval for our Institution in 2022-23. But we have NOT admitted
	students due the delay in getting affiliation. Do we need to apply for EoA?
A:	ALL the applicants issued LoA for starting the New Technical Institutions shall apply on AICTE Web-
	Portal for Extension of Approval (EOA) as specified in the Approval Process Handbook from the
	next Academic Year onwards, irrespective of the admission of the students.
Q:	a. While applying, I had made a mistake in opting for FN/OCI? How can I rectify the mistake?

	b. We had applied for the Closure of the Institution, but now we have decided to apply for EoA. How can I revert the application?
A:	For a and b: You can inform AICTE as per the procedure mentioned in Clause 2.3.8 of APH 2023-24.
Q:	We had 25 years of Live Lease at the time of our approval for establishment of new Technical Institution, currently our Live Lease is 5 years. What should we do to get the EoA?
A:	In case of Institutions having Lease agreement for Land, the Council shall NOT issue EoAfrom the Year in which the Live Lease is equal to the number of years of the Course having the maximum duration. However, if such Institutions submit the Lease extended for further 30 years with at least 25 years of Live Lease, EoA shall be considered.(Refer 2.1 (e) clause) of APH 2023-24.
Q:	Our Institution was given Withdrawal of Approval in 20XX-YY. We are not able to apply under 2023-24 application.
A:	You have to apply ONLY as a New Institution in 2023-24.
Q:	a. The Institution has been placed under 20% reduction for 2021-22. How to get the full Intake in 2023-24?
	b. Our Institution was placed under No admission/ No EoA/ Reduction in Intake category in the previous year. We are not able to create 2023-24 application.
A:	For a and b: Institutions are required to apply for Restoration on the Web Portal as per provision in the APH
Q:	a. Our Institution got approval up to the Academic Year 2019-20 and we were unable to submit application in 2020-21 and 2021-22. We want to apply for 2023-24.
	b. We have taken approval from AICTE for the Engineering Courses in 2011-12. After that we could not take EoA from AICTE due to some reasons. Now we want to apply for EoA in 2023-24. We have ID and password allotted by AICTE in 2011. Should we continue to fill our application on Web Portal of AICTE using that ID and Password?
	c. We have not applied for EoA in the past 3 years. Can we apply for Break in EoA as well as for a new Programme?
A:	a. You are required to apply for Break in EoA on Web Portal. The same user ID and password can be used.
	b. Institutions which have NOT applied for EoA for last SIX YEARS consecutively shall NOT be eligible to apply under Break in EoA and such Institutions shall apply ONLY as a new Technical Institution following appropriate procedure for Closure of the Programmes/Courses approved.
N	c. The Institutions applying under Break in EoA/ Restoration shall NOT be permitted to apply for other categories listed under Chapter II/ III/ V/ VI of the APH 2023-24.
Q:	After the submission of the application for EoA, if an institute wants to revoke the application and wants to apply under different category what is the provision of penalty for that?
A:	Institute can revoke the application and submit new application within due date, Penalty as applicable for late submission of application if any.

Q:	Our Intake was reduced to 50% due to the enrollment less than 30% in the past 5 years consecutively. The student admission this year is more than 30%. Should we have to apply for Restoration in 2023-24?
A:	The Institution falling under this category need not apply for restoration and the Intake shall be automatically reinstated by the Council, if the enrolment becomes more than 30% based on the student enrolment data provided by the Institution on AICTE Portal.
Q:	If an Institute not applied for EoA in preceding academic year, How Institute will apply for the next academic year for EoA?
A:	Such Institute shall be considered as "Break-in-EoA" and will apply under Break-in-EoA.
Q:	What is the difference between Programme & level?
A:	Levels are such as Diploma/UG/PG and Programmes are such as Engineering and Technology /Applied Art and Craft/Design /Hotel Management and Catering Technology/ MBA/MCA/PGDM/PGCM.
Q:	The Institute applying under Break-In-EoA shall be eligible for to start new Programme/ Level in the existing institution.
A:	Not Permitted
Q:	We have 5 Diploma Courses; can we apply for conversion of Two Diploma Courses only into Degree Courses?
A:	No. Partial conversion of Courses / Programmes at any Levels is NOT permitted.
Q:	We are having UG and PG Courses in Engineering and Technology. We would like to apply for conversion of our Under Graduate Courses into Diploma Level? Should we have to apply for closure of PG Courses?
A:	PG Courses in Engineering and Technology should be applied for closure and simultaneously apply for conversion of UG into Diploma.
Q:	We would like to apply for conversion of our UG Degree Courses into Diploma Courses, but we don't find the nomenclature of certain Courses in Annexure 3. How can we apply?
A:	You have to continue at the same Level or may opt for the closure of Course(s).
Q:	When an existing Institution applies for a new Programme, whether it have to comply with the built up area and Infrastructural requirements of the new Programme only for First year and/ or for the entire duration of the new Programme? Whether the existing Institution and the new Programme can share the administrative and amenities areas by creating exclusive Instructional area for the new Programme?
A:	When an existing Institution applies for a new Programme, it has to comply with the built up area and Infrastructural requirements of the new Programme for 50% of the active duration of the programme First year and the sharing of the administrative and amenities areas are permissible as far as it caters the need of all the students for all the Programmes, with creation of exclusive instructional area for the new Programme and progressively done each year to cater the requirement as per AICTE norms.
Q:	Whether an Institution offering MBA could be merged with an Institution offering Engineering Courses?

A:	Yes, if both the Institutions are run by the same Trust/ Society/ Company.
Q:	a. Can we merge two Institutions located within same Campus/City?
	b. Can we merge few Courses of a Child Institution with Parent Institution and run the Child Institution with the remaining Courses?
	c. Can we merge an Institution running Under Graduate Courses and a Polytechnic in Engineering?
A:	a. Yes
	b. Not permissible.
	c. Yes.
Q:	How can we apply for addition seats in Indian / Regional Languages at Diploma/Degree level Courses in Engineering and Technology?
A:	National Education Policy 2020 envisages the availability of Higher Technical Education in http:// Regional Languages at Diploma/Degree level. AICTE shall permit an addition of ONE division with 30/60 seats to the eligible and interested institutes. Institutions seeking approvalshall be permitted for Increase in intake in Accredited courses (Supernumerary) or against Approved Intake.
Q:	We have One Course with valid NBA accreditation. How many increase/ new Course our Institution is eligible?
A:	Institutions shall be eligible for new Course(s)/ expansion of existing Course(s), equal to the number of valid NBA accredited Course(s), limited to a maximum of FOUR within the definition of Division/Programme/ Level and provided they are running three Core branches. Refer Clause 2.14.3 of APH 2023-24. Further for introduction of new course, Institute should run minimum three core branches
Q:	Our Institution has valid NBA accredited Courses. Is it necessary to upload valid NBA letteron portal and send hard copy to Regional Office?
A:	Yes. The information related to validity of NBA accredited Courses need to be provided on portal. However hard copy need not be provided. Institution need to produce the additional documents including NBA letter at the time of Scrutiny.
Q:	Our Institution has applied for NBA, whether we are eligible for adding a new Course?
A:	Yes, provided accreditation of existing Course is to be provided on or before the date of Scrutiny Committee and subject to the fulfilment of other norms as per APH 2023-24.
Q:	How many seats allowed to an institution under NRI category?
A:	Five percent (5%) of seats within "Approval Intake" shall be allowed for admission under NRI category
Q:	Our Institution has obtained Provisional Accreditation for two Courses which are valid till 2021. I have used these Courses for adding two new Courses during 2021-22. If my Institution secures Provisional accreditation again during 2022 for the same Courses, can I apply for the introduction of New Course/ increase in Intake using it.

A:	No. A Course having valid NBA accreditation can be used for adding New Course/ increase in Intake only once within a span of 6 years. Further for introduction of new course, Institute should run minimum three core branches
Q:	Our Institution has obtained Accreditation for two Courses which are valid till 2023. I have used these Courses for adding two new Courses during 2022-23. If my Institution got the renewal of accreditation again after inspection during 2023 for the same Courses, can I apply for the introduction of New Course/ increase in Intake using it
A:	Yes. A Course having valid NBA accreditation can be used for adding New Course/ increase in Intake only once within a span of 6 years. Further for introduction of new course, Institute should run minimum three core branches.
Q:	What does it mean by EoA based on self-Disclosure?
A:	An Institute given approval earlier can apply for extension of approval by providing self-declaration as per appendix 17 APH 2023-24
Q:	We are offering Courses in Design Programme. We are not eligible to apply for NBA. Howcan we apply for new PG Course?
A:	The Institutions offering the Courses in Applied Arts and Crafts and Design shall be eligible to apply for new Course(s) at the Post Graduate Level only after two batches of students' pass out and the same shall be permitted for a maximum of FIVE Courses / Divisions, subject to "Zero Deficiency" based on Self-Disclosure on AICTE Web-Portal. However, for every Post Graduate Course, there should be at least one Professor with Ph.D. qualification. In case of non-availability of qualified Professor, an Associate Professor may be considered. As and when accreditation for the above Courses is started by the NBA, such Institutions who have been approved by the AICTE to run Course(s) at the Post Graduate Level shall obtain NBA accreditation within TWO years.
Q:	 a. Whether a few of the existing Courses shall be continued, while introducing few new Courses? b. Whether the maximum permissible Intake after the closure of certain existing Courses and introduction of certain new Courses shall be the existing Intake of the academic year 2022-23 or the maximum of 300? c. Whether the Faculty and the Infrastructural facilities for the new Course and / or increase in Intake in the existing Course are to be for the First Year of the new Course and / or increase in Intake or for the entire duration of the new Course and / or Intake?
A:	For a and b: Yes. The existing Institution without NBA Accreditation can apply for closure of few existing Courses in the Programme and introduce new Courses in the same Programme at same Level, without exceeding the total "Approved Intake"/ "Maximum Intake Allowed", as applicable, as well as the number of Courses/ Divisions as specified in Appendix 3 of the Approval Process Handbook, subject to "Zero Deficiency" based on Self-Disclosure on AICTE Web Portal. An Expert Visit Committee may be conducted, any time before the first batch of students has passed out, to verify the fulfilment of the norms as specified in the Approval Process Handbook. Please Refer clause 2.14.4 (b).

	c. The Faculty, Infrastructural facilities and other requirements have to be fulfilled for thenew
	Course and / or increase in Intake in the existing Course for the First Year of the new Course and/ or increase in Intake. An Expert Visit Committee may be conducted, any time before the
	first batch of students has passed out, to verify the fulfilment of the norms asspecified in the
	Approval Process Handbook.
Q:	Is AICTE web-portal generates the deficiency report for the online submitted application?
A:	Yes, AICTE web-portal generates the deficiency report for the online submitted application
Q:	We are a private Polytechnic Institution approved last year, running 5 branches with 300 Intake. Now we want to apply for Increase in Intake and add for new Courses. How many Courses we can add?
A:	You may add any new Branch/Course or increase in Intake. Institutions already with Maximum Intake Allowed, but NOT eligible to apply for NBA for any of their courses, shall apply for closure of Course(s) and apply for increase in Intake/ new Course within the maximum permissible Intake as per APH 2023-24. Refer Clause 2.14.4 of APH 2023-24.
Q:	Is Integrated M.E./ M.Tech. Programme permitted?
A:	Yes. Refer Clause 2.15 of APH 2023-24 for eligible conditions.
Q:	Can we merge Production Engineering Course with Intake 60 and Mechanical Engineering Course with Intake 60, to offer a single Course in Mechanical Engineering with Intake 120?
A:	Merger of Courses as per Broad Classification as per Annexure- 6 / 7 (Diploma or UG Level) of APH 2023-24 is ONLY Permitted.
Q:	We have Three Divisions in Computer Science Engineering and Three Divisions in Information Technology. Can we get Six Divisions in Computer Science Engineering aftermerging?
A:	Yes. Merging is permitted as per the nomenclatures given in Annexure 6, so that the Intake after merging shall be equal to the sum total of the individual Courses and Divisions provided the Faculty student ratio be maintained. Refer Clause 2.18 of APH 2023-24.
Q:	Can we merge B.E. Electrical Engineering Course with B.E. Computer Science EngineeringCourse?
A:	Not permissible. Refer Annexure 6 of APH 2023-24 for the Courses permitted for merging.
Q:	We want to apply for reduction in Intake within a Division for certain Courses. What is the maximum number of UG and PG Courses, we can opt for reduction?
A:	There is no limit, any number of UG and PG Courses may be selected. However, the reduction in intake (value) within division is allowed ONLY as per the Provisions of APH 2023-24.
Q:	We, Polytechnic Institution, want to reduce the Intake one of Course Namely Electronics and Telecommunication Engineering from 60 to 30. Can we do the same?
A:	In any Course, within a Division, (non-Zero) reduction (i.e. 60 to 30) is permissible.
Q:	Our Institution has become a University. Do we have to apply as a new University under
	Chapter I or can we apply for EoA as a University?

A:	You can apply for EOA as a University with change of Type of Institution (No need to apply as a new University under Chapter I). Refer Clause 2.19 of APH 2023-24. However, change of status will be applicable from next Academic Year
Q:	In a State, if one University is merged with another University (by State Government), how to change the name of the affiliating University under Course Tab.
A:	Select the Question available under Questionnaire "Do you wish to change the Affiliating University?" Then select the answer as "Yes" and select the name of new affiliating University from the drop down menu. Contact Approval Bureau along with a request letterin the Letter head of the Institution enclosing copies of State Government resolution/ Gazette Notification. In such cases, NOC form State Government/ University are not required.
Q:	Name of our affiliating University does not appear in the affiliating University drop down.
A:	Contact Approval Bureau for inclusion of the University name in the portal. Apply through CSS Portal
Q:	Our Institution was approved as a Private/ Un-aided Institution. Recently our Institution has been recognized as minority Institution. How to update this change in AICTE Portal?
A:	You can apply on the Portal for Change of Minority Status. Refer Clause 2.20 of APH 2023-24.
Q:	Our Institution has extended EoA upto 2022-23. When we apply in the Portal for Increase in Intake, the Portal is calculating the TER Charges. Are we not exempted from payment?
A:	Institutions approved for extended EoA are waived from paying TER Charges for Extension of Approval (EoA) ONLY for the extended years for the existing Programme(s) and Course(s) at the time of issue of Extended EoA. However, such Institutions are required to submit the application for EoA and maintain ALL the norms and standards as specified in the Approval Process Handbook. In the subsequent years (within the duration of Extended EOA), if the Institution intends to apply for any other categories, the corresponding TER Charges as per Approval Process Handbook shall be paid.
Q:	Whether a State Technical University is required to take approval of AICTE to conduct Technical Courses.
A:	State Universities do not require prior approval of AICTE to commence a new Department or Course and Programme(s) in Technical Education, however Universities have obligation or duty to conform to the standards; and norms laid down by the AICTE from time to time.
Q:	a. Ours is a Deemed to be University/ Private University established under UGC Act offering Technical Programmes but not seeking approval from AICTE. What is the procedure for getting the Programmes approved by AICTE?
	b. Our University is 07 years old Private University approved by UGC. Whether Private University running technical Programmes/ Courses in Engineering, Management, Architecture, MCA, etc. are required to obtain AICTE approval?

Q:	For a: Institutions Deemed to be Universities seeking approval for the first time from AICTE (in compliance
	to the order dated 03.11.2017 passed by the Hon'ble Supreme Court Order CA No. 17869-17870 / 2017) shall submit an application as a new Technical Institution. Private Universities interested in seeking approval for the first time from AICTE may submit an application as a new Technical Institution. For b: State Private Universities do not require prior approval of AICTE to commence a new Course and Programme(s) in Technical Education (Engineering, Management, etc.), however State Private Universities have the obligation or duty to conform to the standards and norms laid down by the AICTE from time to time. State Private Universities interested in seeking approval for the first time from AICTE may submit
	an application as a new Technical Institution. Refer Chapter-4 of APH 2023-24 for more DETAILS.
A:	We are Standalone Institutions offering PGDM Courses. Can we apply for ODL and/or Online Courses?
Q:	Yes. Subject to fulfilling eligibility conditions mentioned in Chapter- 5 of APH 2023-24. Refer Chapter 5 of APH 2023-24 for more details.
A:	We would like to apply for a new Course, but the nomenclature is not available in the dropdown. How to apply?
Q:	If any Institution proposes to start a new Course whose nomenclature is not available in Appendix 2 of the Approval Process Handbook, prior concurrence, as the case may be, by the Council for the same shall be necessary. For such concurrence, the Institution with due endorsement by the Registrar/ Director of affiliating University/ Board/ Technical Institution shall submit detailed Syllabus and Curriculum and its nomenclature to the Policy and Academic Planning Bureau, AICTE before 30 th September of the Calendar Year, to process the same in the respective Board. Only Recommended Courses Nomenclatures will be included in in the ensuing year APH.
A:	Whether Faculty not recruited on Regular basis shall be considered for Faculty Student ratio?
Q:	The contractual Faculty who have taught for 2 consecutive semesters in the preceding Academic Year on Full Time basis ONLY shall be considered for the purpose of calculation of Faculty.
A:	a. Can we convert our First and Second Shift Diploma Courses into Degree Courses?
Q:	b. We were running First Shift (180) and Second Shift (120), currently the portal shows a single number with both the Intakes. Because of this, we are getting deficiencies. Please change the Intake as that of the last year.

A:	For a and b:
	The Courses offered in the timings of Regular Shift, First Shift, Second Shift and Part Time shall be
	considered as Regular Courses. The Institutions shall have to fulfil all facilities such
	as Infrastructure, Faculty and other requirements to offer the Regular Courses as per the norms
	specified in the Approval Process Handbook for the Total Approved Intake and the Institutions may conduct the Courses in the timings of Regular Shift, First Shift, Second Shift
	and Part Time not exceeding the "Approved Intake" of each Course, as per the convenience of all
	stakeholders. All such Institutions shall create the necessary Faculty, Infrastructure and other
	facilities WITHIN 1 YEAR to fulfil the norms (before the completion of A/Y 2022-23). Student
	enrolment details shall be uploaded in the Web-Portal. Hence the Council will
	consider the issue of EoA till such time.
Q:	a. Our Institution wants to make admission under Lateral Entry in Engineering and
Q:	Technology. Is there any provision in APH 2023-24?
	b. Whether Lateral Entry is permitted in Diploma?
	c. Whether students from SAARC Countries/ Foreign Nationals are permitted to admit underLateral
	Entry in Engineering Courses?
A:	For a, b and c :Refer Clause 7.14 of APH 2023-24.
Q:	Institute applied for closure but due to certain deficiencies application is not approved by the council,
	in such case what institute will do?
A:	Please refer clause 2.16.3 in APH 2023-24
Q:	We have an Approved Intake of 60 seats in Electronics and Communication Engineering in UG
	Course. Now we want to reduce the Intake by 30 in Electronics and Communication
	Engineering and in lieu of it can we would like to add the one Division of 30 students in
A:	lateral entry in Engineering UG Course. It is NOT permissible.
Q:	Whether our Institution can start ITI with same Infrastructure available in our Polytechnic?
Ų.	whether our mistitution can start in with same infrastructure available in our Polytechnic:
A:	Yes. Refer Chapter VII of APH 2023-24. The Institutions may conduct skill development
	Courses of any other Regulatory Body using the existing facilities, or by creating additional facilities
	as per the provisions laid down in the norms and standards of the respective Regulatory Bodies
	without affecting the quality of education prescribed by both Regulatory
0:	Bodies after taking NOC from the Council. What is the duration of MCA Course? Lateral Entry Permissible in MCA?
Q:	What is the duration of Mich Course: Lateral Entry Permissible III Mich:
A:	Two Years. Yes, Lateral Entry is permissible. (AY 2023-24)
Q:	For Under Graduate Degree Programme in Engineering Technology, whether Diplomaqualified
	students will also be considered for admission on par with students passed 10+2 examination?

A:	Yes, in addition to that Students passed Diploma (in Engineering and Technology) will be considered, subject to vacancies in the First Year, in case the vacancies at lateral entry are exhausted.
Q:	How do we implement the rationalization of nomenclature suggested by the AICTE in Management Programme?
A:	The nomenclature of the Courses in Management after rationalization will be visible in your application. The revised nomenclatures are also communicated to all Universities. In case of difficulty in adopting the nomenclatures, the respective University shall be contacted or if the issue persists, raise your grievance in the Portal.
Q:	Our Institution has six UG Engineering Courses. How many Seminar Halls we need for running UG Programme?
A:	Please Refer Appendix 4 of APH 2023-24.
Q:	Do we need Research Laboratory for each PG Course?
A:	No. Research Laboratory is to be provided for each Institution offering Post Graduate Courses.
Q:	How the Mega and Metro Cities, Urban Area and Rural Area have been determined?
A:	The classification of cities has been made as per Census 2011 data. Refer Appendix 4 in APH
Q:	We are affiliated institute in rural area what is the concession fee per division is granted for EoA?
A:	For rural areas, there is no concession of Rs.5000 per division from this Academic Year.
Q:	We are running Five PG Courses in Civil Engineering. How many Professors with Ph.D qualification are required?
A:	For every PG Course, there should be at least one Professor with Ph.D. qualification. Refe Appendix 7 of APH 2023-24.
Q:	What is the Faculty Student ratio to be maintained by the Institutions Deemed to be Universities Institutions having Accreditation/ Autonomous status?
A:	Institutions Deemed to be Universities/ Institutions having Accreditation (of one or any number of Courses)/ Autonomy status shall have Faculty: Student ratio as 1:20 in Under Graduate Degree Level in Engineering and Technology Courses and maintain a better Cadre ratio in order to achieve excellence in Technical Education. All such Institutions shall create the necessary Faculty, Infrastructure and other facilities WITHIN 2 YEARS to fulfil the norms. Hence the Council will consider the issue of EoA till such time.
Q:	In Appendix 10 subscription of journals, what is N?
A:	N is the Total number of Courses. Please read the foot note made available below the table o Appendix 10.

A:	Refer Appendix 10 of APH 2023-24. Subscription of the journal will add value to the quality of Technical education and skill. However, subscription of E-Journals is mandatory for the Institutions offering PG Courses.
