Dear Sir,

Date: 28-08-2018

As you may be aware that Unnat Bharat Abhiyan is a flagship program of MHRD, Government of India to involve higher education institutes of the country for indigenous development of self-sufficient and sustainable village clusters for inclusive India. As of now, 750 reputed institutions have been selected and with the intention of enriching rural India, these selected Institutions are expected to customize the available technologies and develop the new technologies, as per the local needs and also to improve the implementation of existing Government programs.

It was envisaged that most of the higher educational institutes of the country will be participating in UBA and helping inclusive development of villages in collaboration with district authorities through social, managerial and technological interventions with their faculty and students. Also, in the recently concluded National Conference of Vice-Chancellors and Directors, it is resolved that all the Higher Educational Institutes would associate themselves in implementing Unnat Bharat Abhiyan.

In view of above, it has been decided to begin the process of selection of institutes to be a part of Unnat Bharat Abhiyan. The advertisement for the purpose will be uploaded on UBA website and the institutes will be selected on challenge mode.

In this regard, you are requested to kindly issue necessary directions to all the institutions to actively participate and register themselves on UBA website for participation and to make the programme successful.
