Subject: Capacity Building Programme on Design and Entrepreneurship under Malaviya Mission Teacher Training Programme- 4th Call for Proposal

Respected Sir/Madam,

As you may be aware, Ministry of Education (MoE) has set a goal to increase the proportion of the students by adopting entrepreneurship as a career (as founder or co-founder of startups by 2028-29).

MoE is targeting to conduct Capacity Building on Design and Entrepreneurship (CBDE) program in 50 promising HEIs for a period of two years. At present, 31 HEIs are already on-board with commitment to conduct the aforesaid programme (copy enclosed).

IITDM, Kanchipuram, Malaviya Mission Teacher Training Center is the Nodal Center for this programme. Interested HEIs may submit a clear and concise proposal addressing the objectives and scope of work. Proposals will be evaluated based on the vision, readiness, commitment and credentials of the HEIs and PIs/Co-PIs (PI/Co-PI must preferably be in leadership positions and able to implement the desired institutional changes) to leverage the program and deliver outcomes in terms of number of faculty mentored, entrepreneurial teams supported and pipeline of students nurtured. The selected institutions will need to sign a contract with the nodal Center to execute the program.

The participating HEIs are expected to leverage the program to intensify their design and entrepreneurship initiatives as enshrined in NEP, 2020.

All HEIs are accordingly requested to take action for above target and can submit proposal to the IITDM, Kanchipuram. For inquiries and clarifications, please email to: mmttc-cbf-info@iitdm.ac.in

We deeply appreciate your time and engagement.

Yours sincerely,

Dr. Dinesh Singh
Director-P&AP (AICTE)
