All State Directorate of Technical Education,**

Subject: Uploading data on "All India Survey on Higher Education".

Sir/Madam,

As you are aware, Ministry of Education, Govt. of India, New Delhi initiated "All India Survey on Higher Education" in the year 2010 to build a robust database and to assess the correct picture of higher education in the country. MoE has undertaken All India Survey on Higher Education for the year 2020-21 based on various parameters and survey is currently underway.

The survey would provide valuable insights on the Higher Education scenario for policy formulation as well as inputs for various global/national indicators. Hence, the expeditious completion of the Survey in a Mission mode becomes extremely important.

Since, the preparation of survey requires inputs from a host of Institutes and the exercise has to be completed in a time bound manner, we request you to upload data, as required, on the All India Survey on Higher Education (AISHE) portal positively by 31.03.2022.

The detailed survey guidelines are available on AISHE web portal (<https://aishe.gov.in>).
