F. No. AICTE/P&AP/Misc./2020/

Date: 10.11.2020

Policy and Academic Planning Bureau

CIRCULAR

AICTE vide its notification dated 28th April 2017 has already published Gazette notification regarding Major/Core branches of Engineering and Technology and their relevant / appropriate courses leading to degree in Engineering / Technology for recruitment in teaching positions.

In spite of the above, this Council receives a large number of grievances from faculty members / requests from Governments, DTEs pertaining to eligibility for faculty positions in the AICTE approved institutions.

In view of the above, it is to clarify that, AICTE as per present policy is not providing equivalence to the qualifications obtained from AICTE's approved institution / departments at any level for higher education purpose as well as for employment purpose. It is up to the employer to decide the suitability for a particular post in case of employment purpose and it is up to the institution for higher studies in case of academic purpose.

Further, the clarifications on equivalence / relevance or appropriateness of nomenclature of degrees for recruitment / promotion of teachers in technical institutions dated 23/10/2020 is also available in the AICTE website (https://www.aicte-india.org/sites/default/files/nomenclatures_recruitment.pdf).

As the equivalency has to be given by the concerned department / University, they may consider such cases and take appropriate decision in this regard.
