Circular

To,

All Vice Chancellors of Technical Universities and
All Directors/Principals of AICTE Approved Institutions.

Subject: Enabling Academic Institutes in Technical Textiles – reg.

Sir/Madam,

With a view to promote the technical textiles sector in the country, Government of India is implementing the National Technical Textiles Mission (NTTM) with outlay of Rs. 1480 crore for the period 2020-2021 to 2023-2024, with the following components: -

Component-1: Research, Innovation and Development;

Component- 2: Promotion and Market Development;

Component-3: Export Promotion

Component-4: Education, Training, Skill Development.

Under component IV of NTTM, with a view to enhance the level of education in Technical Textiles of UG/PG level and to ensure that adequate talent and skill sets are developed in the segment, Ministry of Textiles has launched 'General Guidelines for Enabling of Academic Institutes in Technical Textiles – for Private & Public Institutes'. These Guidelines cover the funding for upgradation/enhancement of laboratory equipment, training of lab personnel and specialized training of faculty members of the relevant department/specialization in the University/Institute. Both Public funded institutions as well as private institutions having NIRF ranking will be eligible for support.

The detailed General Guidelines are available on the official website of Ministry of Textiles under NTTM web page <https://www.texmin.nic.in/technical-textiles-mission> . All AICTE approved institutions having UG and PG courses in Textile Technology are encouraged to participate in this scheme by submitting their proposals to Ministry of Textiles, New Delhi.

Regards

Dr. Ramesh Unnikrishnan
Advisor –II (P&AP Bureau)
