**F. No. AICTE/P&AP/Misc/2023/**

**Dated: 01.09.2023**

**CIRCULAR**

**To**

**All Vice Chancellors of Technical Universities and  
All Directors/ Principals of AICTE Approved Institutions,**

**Subject: Sensitize India on population explosion and its impact- Reg.**

Respected Sir/Madam,

As responsible citizens, we must understand that our country is facing the challenges of population explosion. As all the resources like land, food, water and energy are limited, rapidly increasing population may lead to food insecurity, water and land scarcity, loss of biodiversity increased pollution levels and social and political instability.

In this regard, all AICTE approved Institution/Universities are requested to create awareness about the negative impact of population explosion and to organise seminars/symposiums/workshops/quizzes on bad effects of population growth as it is important to find a balance between population growth and the capacity of Earth's ecosystems to support human life and maintain a healthy environment.

*With regards,*

*Mamta*  
**Yours sincerely,**  
*01 Sept, 23*  
**(Dr. Mamta Rani Agarwal)**
