F. No. AICTE/P&AP/Misc/2022/

Dated: 07.04.2022

**CIRCULAR**

To

**All Vice Chancellors of Technical Universities and  
All Directors/ Principals of AICTE Approved Institutions,**

**Subject: Facilitation of Educational Opportunities in India for Indian Students studying  
in Ukraine.**

Sir/Madam,

As you are aware, around 20,000 Indian students are back in the country from the war torn Ukraine, where they were pursuing courses in medical/engineering etc. in various universities of Ukraine. All these students are in a deep desperation as their educational future is uncertain in the war torn country. The matter was raised in the parliament and it was recommended that the GOI would facilitate all educational possibilities for all those who want to continue their education in India as it concerns the future of thousands of Indians which should not be neglected.

You are therefore, requested to consider such cases against the vacant seats available in your institutions, in respective years and admit them at appropriate levels so that, the students who have come back from Ukraine may continue their studies in India.

Regards

(Dr. Ramesh Unnikrishnan)
