**Subject: Celebration for “International Year of Millets (IYoM)”.**

Respected Sir/Madam,

As you are aware, the year 2023 has been declared as the “International Year of Millets (IYoM)”. Based on inputs received, the Ministry of Agriculture & Farmers Welfare has drawn up tentative activities/event/celebrations to show-case India’s diversity in millet production recipes, value added products etc. involving different Ministries/Departments, State Governments & UTs.

To build up the momentum for popularization of millets and to make the “IYoM 2023” a huge success, the involvement of your institute is crucial to take forward the proposed interventions as part of IYoM celebrations. For this, many activities have to be planned and executed during International Year of Millets (IYoM).

In this context, it is requested that you may formulate month-wise calendar of activities for International Year of Millets (IYoM) pertaining to your institution.

Regards
