F. No. AICTE/P&AP/Misc/2022/

Dated: 20.06.2022

**CIRCULAR**

To

**All Vice Chancellors of Technical Universities and  
All Directors/ Principals of AICTE Approved Institutions,**

**Subject: Development of Industry-led course modules to increase the employability of students.**

Madam/Sir,

As you are aware, AICTE has entered into MoUs with leading Industries/Industry Association to develop and promote industry-oriented & Skill based course modules and also facilitate internships of the students in industry. Industries are now coming forward to support in providing core technical skills, digital skills, and vocational skills in universities and technical institutes.

You are therefore, requested to interact with leading industries/industry associations for the development and promotion of industry oriented course modules, and credits may be given to students for completing such course modules. It will help in making students industry-ready and more employable. All universities may discuss the need for industry interaction and allotment of credits based on learning outcomes of students.

Regards

(Dr. Ramesh Unnikrishnan)
