Lajpat Nagar, New Delhi-11024**

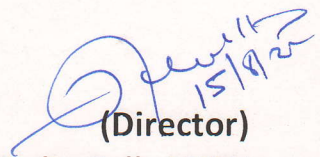

Madam,

Please find as below:

**Rejoinder to the Article 'Prof MP Poonia : 'AICTE survey will help colleges identify learning gaps so that students can be industry-ready' published in The India Express on 15<sup>th</sup> June 2022.**

All India Council of Technical Education (AICTE) hereby clarifies that it has not conducted any 'Survey' to help colleges identify learning gaps so that students can be industry-ready. The published interview of AICTE vice Chairman Prof MP Poonia has been published with distorted data.

More appropriately, **PARAKH** is an ongoing project initiated by AICTE as 'Student Learning Assessment' (SLA) where student can identify their learning gaps **during the course of study by registering on the portal and can take corrective measures timely through self-assessment.** AICTE does not approve the report appearing in various newspaper in this regard.
