Academic Calendar.**

Sir/Madam,

Please refer to the enclosed letter from Shri Prof. Govindan Rangarajan, Director, Indian Institute of Science, Bengaluru dated 18.07.2023 on the above cited subject.

In this regard, it is informed that Graduate Aptitude Test in Engineering (GATE) is a national examination jointly conducted by IISc Bengaluru and seven IITs (Bombay, Delhi, Guwahati, Kanpur, Kharagpur, Madras and Roorkee) together under the aegis of Ministry of Education (MoE), Govt. of India. GATE is a Computer-Based Test (DBT).

In the first meeting of the National Committee GATE-2024 held during July 9, 2023 in Bengaluru, the dates of GATE-2024 examination have been finalized as February 3, 4, 10, and 11, 2024. IISc Bengaluru will be the Organizing Institute for GATE-2024. Similarly, Joint Admission Test for Masters (JAM) is a Computer-Based Test conducted nation-wide by these Institutes and will be held on February 11, 2024.

You are, therefore requested to plan your Institute's academic calendar and exam schedule to avoid clashes with GATE/JAM-2024 examination dates and disseminate this information to the affiliated colleges, academic units and students section.

With regards,

Yours sincerely,

Mamta
