D.O. No. 36-17/2018-NVEQF

Dated :- 09.05.2018

Dear *Smt. Srivastava,*

For optimum utilization of available infrastructure and resources in the AICTE approved Technical Institutions, AICTE has decided to introduce Bachelor of Vocation (B.Voc), Diploma of Vocation (D.Voc), Diploma of Skill courses from the Academic Year 2018-19 (copy attached). The Council has invited online applications from AICTE approved institutions to run such courses.

2. The Council has also developed model curriculum for these courses in alignment with Skill Assessment Matrix for Vocational Advancement of Youth (SAMVAY) notified by MHRD vide file No. 36-10/2016-NVEQF dated 05.02.2018 (copy attached) under National Skill Qualification Framework (NSQF).

3. On successful completion of knowledge and Skill Competency required for each level, student will be awarded a Vocational Diploma/Vocational Degree (B.Voc.) by the respective Board of Technical Education or the affiliating University of the State where the institution is located.

4. In view of above, for the Academic Year 2018-19, 795 institutions from 29 states have submitted online applications to run these courses. Further, to educate all applicant institutes the modality to run these courses, in which more than 50% weightage is for hands-on skills, the Council has organized Regional Workshops. In these workshops representatives from Industrial Organizations/NSDC/SSC/NITTTTR were also invited to give presentation on their role in running such industry oriented vocational courses.

5. Therefore, for successful running of these courses by AICTE approved institutions, Affiliating Universities/Boards of Technical Education will have to affiliate these Programmes so that on successful completion of course, the student will be awarded a Diploma or Degree by Board/University.

6. Hence, It is my request to all the states to affiliate such programmes from AICTE approved institutions. A line in confirmation would be appreciated.

With regards,

Subba Rao.
