Subject : To maintain the Quality of Education by Accreditation of Courses

Madam / Sir,

To maintain the quality in Technical Institutions AICTE has taken various initiatives in recent past. One of the important initiatives was Accreditation and accordingly as per clause 7.5 was enabled in APH 2022-23 which read as *“To maintain the quality of Education, 60% of the eligible courses in any Technical Institution shall be accredited in the next TWO (2) years’ time, else EoA shall not be issued by the Council.”* Accordingly, the Institutions are advised to take steps and apply for accreditation to avoid future problems related to approval.

This is issued with the approval of Competent Authority.
