Dated:01/06/2022

To

All Vice Chancellors of Technical Universities and
All Principals/Directors of AICTE approved Institutions

**Sub: Consideration of Midway Admission on Genuine Cases
In Technical Institutions – Reg.**

It is observed that sometimes, while pursuing the Engineering and other Degrees, due to some unfortunate circumstances midway, a brilliant student remains deprived of completing his/her program/course because of the difficulty in seeking admission in Technical Institutions. Representations are being received from the students selected in reputed organizations like NDA and similar other eminent organizations where physical fitness aspect has been given top-most priority and in case of any unfortunate incidence of injury leading to surgery, the candidate is declared as partially unfit and boarded out on medical grounds compulsorily from the organization. These candidates also pursue their Diploma BA, B.Sc, B.Tech., M.Tech. courses simultaneously with the service from the same organization but, unable to complete it in such circumstances.

NEP 2020 already provides for multiple entry-multiple exit, crediting the courses completed in the Academic Bank of Credit and making use of it later, in the same place or elsewhere.

In view of the above unforeseen unfortunate circumstances, it is requested that criteria for sympathetic consideration of such genuine cases for admission through lateral entry may be explored at appropriate level in your esteemed institutions which shall be immensely helpful for such deserving students seeking admission midway to reshape their career.

Regards,
