

AICTE renew MoU with Internshala to offer internships opportunities and foster skill development nationwide

The All India Council for Technical Education (AICTE) and Internshala, a leading internship and online training platform, have renewed their strategic partnership aimed at providing internship opportunities and enhancing skill development of students across the nation.

The MoU exchanged between the AICTE and Internshala aims to facilitate the placement of students in internships that align with their academic pursuits and career aspirations. By leveraging Internshala's extensive network of Industry partners and expertise in Internship management, AICTE seeks to enhance the practical learning experience of students and equip them with the necessary skills to thrive in today's competitive job market and foster their professional development.

On partnership renewal with Internshala, AICTE Chairman Prof. T. G. Sitharam, said, "AICTE's collaboration with Internshala is a significant stride in closing the gap between academic learning and the real-world, ensuring that Indian youth gain practical experience crucial for their professional growth. Leveraging our collective expertise and expansive reach, our goal is to enhance employability for millions of students nationwide, cultivating a workforce equipped to tackle the evolving industry demands of today."

Sarvesh Agrawal, CEO and Founder of Internshala echoed his excitement and said "We are thrilled to have renewed our partnership with AICTE to empower students with valuable internships and skilling opportunities. This partnership aligns perfectly with our mission to bridge the industry-academia gap and get 45m+ college students of India career-ready by providing practical learning experiences to students across India."

Dr. Buddha Chandrasekhar, CCO, AICTE commented "AICTE internship portal has 48 lakhs+ internships posted for students with a target of 1 Crore internships by 2025. We are happy to collaborate with Internshala which publishes 10000+ internships on daily basis which will help our students to get connected with various industries and gain real time experience".

The partnership between AICTE and Internshala will offer students access to a wide range of online training programs, workshops, and internships across various industries, including technology, management, finance, and more. These initiatives will be designed to address the evolving needs of the job market and equip students with relevant skills. Additionally, Internshala will actively encourage students to explore and engage with these opportunities in their fields of interest. The partnership aims to bridge the industry-academia gap by providing students with real-world experience and enhancing their professional skills.

About Internshala:

Founded in 2010, Internshala is a career-tech platform helping college students and freshers get the best start to their careers. The platform provides students with their first real-world experience through internships and fresher jobs and skilling in on-demand areas through online trainings and placement guarantee courses in line with its vision of becoming a career super app for college students.
