National Educational Alliance for Technology (NEAT 3.0) :

A Scheme for using Technology for better learning outcomes

<https://neat.aicte-india.org>

Expression of Interest by Education Technology Companies offering Solutions for Higher Education, School and Vocational Courses

Artificial Intelligence can be used to make learning more personalised as per the requirements of the learner. Several 'Education Technology (Ed-Tech) Companies' have developed technologies in Adaptive Learning to address the diversity of learners and/or are offering certification in highly marketable skills (Not Degrees).

Expression of Interest (EoI) is invited from Ed-Tech companies offering solutions for better learning of students in Schools Higher Education Institutions, Vocational Courses, upskilling and reskilling courses leading to enhancement of Skill & employability, EdTech courses available in Indian Languages, International Languages, Courses related to GATI SHAKTI Initiative and Indian Knowledge Systems. The Scheme is approved by the Ministry of Education, and All India Council for Technical Education (AICTE) is the implementation agency.

Interested Ed-Tech companies can share their Expression of Interest (EoI) through the portal at <https://neat.aicte-india.org> from **7th March 2022 to 11th April 2022**.

Selected education technology solutions would be showcased on the NEAT platform, developed by AICTE, thereby enabling wide outreach among the learners.

Detailed documents regarding the alliance for the EoI may be downloaded from the AICTE website at <https://neat.aicte-india.org>. The portal will be open from **7th March 2022**.
