## **NOTIFICATION**

Dear Sir/Madam,

Greetings from All India Council for Technical Education...!!

As you are aware, the whole country is in a state of National Emergency and under lockdown due to COVID-19.

AICTE has been receiving complaints from the colleges that the State Govts are not releasing the fees of students studying in different Engg colleges under the SC/ST Scholarship Scheme being implemented through Social Welfare Departments of the concerned State Govts. Due to the non- receipt of the funds from the State Governments, the institutions are unable to pay the salaries of faculty and staff members.

Kindly appreciate the faculty and staff members of some of the institutions, who are in great stress and even, in some cases on the verge of starvation due to non- receipt of a salary.

In view of the above, you are requested to kindly take up the matter with the concerned Social Welfare Departments and ensure that the funds under the Scheme are released to the concerned institutions at the earliest.

Thanks and regards,

Member Secretary, AICTE.
