Subject: Web-Portal of National Youth Parliament Scheme (NYPS)
Increasing the number of Participating Institutes.

Respected Sir/Madam,

In order to strengthen the roots of democracy and familiarize the student community with the procedure and functioning of Parliament, the Ministry of Parliamentary Affairs organizes Youth Parliament Competition.

At present, the registration for the 4th Edition on the NYPS portal is going on. The web portal allows all the recognized educational institutions of the country to register on the portal and organize youth parliament sittings. The portal can be accessed at www.nyps.mpa.gov.in.

Each participating student will get a Digital ‘Certificate of Participation’ and the Teachers-in-charge and Head of the Institution will receive a ‘Certificate of Appreciation’ through the web portal.

You are requested to disseminate this information among the students and the faculty members for maximum participation.

We deeply appreciate your time and engagement.

With regards,

Yours sincerely,

(Dr. Mamta Rani Agarwal)
Dear Sanjay,

Kindly refer to this Ministry’s D.O. letter No. 6/5/2018-YP dated 28th November 2019 addressed to the then Hon’ble Minister of Human Resource Development and letter No. 6/1/2019-YP-Part (2) dated 30th March 2022 addressed to the then Secretary, Department of Higher Education regarding the participation of educational institutions in the ‘National Youth Parliament Scheme (NYPS)’ of this Ministry (Copies attached).

The Ministry of Parliamentary Affairs has been organizing Youth Parliament Competitions since 1966 in various educational institutions of the country in order to strengthen the roots of democracy, inculcate healthy habits of discipline, develop tolerance of divergent views and familiarize the student community with the procedures and functioning of Parliament. The noteworthy objectives of the Youth Parliament programme have been lauded by all quarters including parliamentarians, academicians, school administrators, etc. In the past, many requests have been received to involve more institutions under the programme of the Ministry. Therefore, to increase the coverage under the Youth Parliament Programme of this Ministry to hitherto untouched sections and corners of the country, the Ministry designed a web-portal for the National Youth Parliament Scheme (NYPS) in 2019. The web portal was launched on 26th November, 2019 in Central Hall, Parliament House, New Delhi by the Hon’ble President of India in the august presence of the Hon’ble Prime Minister, other Ministers and Members of both the Houses of Parliament.

At present, the registration for the 4th Edition on the NYPS portal is going on. The web portal allows all the recognized educational institutions of the country to register on the portal and organize youth parliament sittings. The portal can be accessed at https://nyps.mpa.gov.in/. The salient features of the web portal are:-

- All recognised educational institutions of the country are eligible to participate in this programme.
- The registration for participation is done by the educational institutions on the web-portal.
- E-training modules, videos, photographs and scripts in connection with Youth Parliament are available on the portal for online self-learning of the participants.
• After successful registration, the educational institutions will be able to conduct youth parliament sittings in their respective institutions.
• Each student taking part in the sitting will get a Digital 'Certificate of Participation' and the Teachers-in-charge and Head of Institution each will get a 'Certificate of Appreciation' through the web portal.
• Each institution is allowed to conduct multiple Youth Parliament sittings through separate registrations for separate batches of students.

I would, therefore, request you to issue necessary instructions to all concerned to maximize participation of educational institutions all over the country on the web portal-based National Youth Parliament Scheme (NYPS) of this Ministry on a regular basis.

In addition, various All India Educational Boards and other relevant organisations could be requested for considering participation in the National Youth Parliament Scheme as an extra-curricular activity/project work in Educational Institutions.

Further, you are also requested to provide us the database of the names of the educational institutions and their respective email IDs, which will enable us to send detailed email communications for facilitating their engagement in the web portal-based National Youth Parliament Scheme.

Warm regards

Yours sincerely,

(Umang Narula)

Dear Shri Ramesh Pokhriyal ‘Nishank’ ji,

Ministry of Parliamentary Affairs has been running the Youth Parliament programme in various educational institutions of the country since 1995 with the objective to strengthen the roots of Parliamentary democracy, inculcate healthy habits of discipline, develop tolerance of divergent views and familiarize the student community with the procedures and functioning of Parliament.

2. Presently, the Youth Parliament sessions are being organized in selected Schools/ Universities/ Colleges on pan India basis in a competition format which provides for participation of the institutions and thus not achieving the core purpose of the scheme. For removing this limitation, which was impeding the expansion of the scheme, this Ministry has developed a Web-Portal of National Youth Parliament Scheme to increase the coverage of the programme to hitherto untouched sections and corners of the country.

3. I am glad to inform you that Hon’ble President launched the Web-Portal of National Youth Parliament Scheme on the occasion to commemorate the 70th Anniversary of adoption of the Constitution of India ‘Samvidhan Diwas’ on 26th November 2019 in Central Hall, Parliament House, New Delhi in the august presence of Hon’ble Vice President, Hon’ble Prime Minister and Hon’ble Speaker, Lok Sabha. I am enclosing a copy of the brochure on the Web-Portal of National Youth Parliament Scheme for your kind perusal.

4. The Web-Portal aims to bring all educational institutions of the country under the ambit of the Youth Parliament Programme. This portal will give shape to the Hon’ble Prime Minister’s vision of organizing youth parliaments in all parts of the country. The portal is accessible at www.nyps.mpa.gov.in.

5. I shall be grateful if you could kindly issue necessary instructions to all concerned to create awareness about the portal in all educational institutions of the country so as to maximize participation in the programme.

With regards.

Yours sincerely,

(PRLAHAD JOSHI)
