Subject: - A nationwide competition – Nation Speaks Aloud (Main Bharat Bol Raha Hoon) organized by Taxpayers Association of Bharat during 01th May to 30th May 2019.

Dear Sir/ Madam,

Taxpayers Association of Bharat (TAXAB) is a group of citizens spearheading awareness for population stabilization for past few years, having realised that problem of rising population is undoing all the hard work of past several decades. From around 36 crores at the time of independence, we Indians have grown to around 136 crores as of today and this lowers all our performance or achievements in terms of per capita.

As a result of unabated population growth, our national resources are constantly under stress and this warrants population stabilization at the earliest. With an eye on generating awareness and building a consensus on population stabilization, TAXAB is reaching out to our youth at the cusp of reproductive age, inviting them to participate in a nationwide competition - Nation Speaks Aloud (Main Bharat Bol Raha Hoon) across 30,000+ educational institutions across India between May 1st and 30th 2019. This competition will be followed by an exhibition of the shortlisted participant's entry in New Delhi on the occasion of World Population Day between 11th and 14th July 2019. We exhort all the institutions under AICTE to encourage their students to participate in the competition being organised by TAXAB, details of which can be had from their websites.
