The Council have been receiving several grievances from faculty members and employers seeking clarification on norms about **pay scales, qualifications, service conditions, eligibility criteria, relevant/appropriate qualifications etc.**

In this connection, it is to inform all the concerned that, AICTE (RIFD Bureau) have already issued Notifications/ Clarifications/ Guidelines on above issues.

All concerned are therefore, advised through this Public Notice to refer to the said notifications/ clarifications/ guidelines of AICTE in the matter. Each individual case is different and can be dealt with by the respective State Government or University as the case may be. Since, number of representations on these issues are large in number and varied in nature, no individual representations on such issues can be entertained. Only queries which are not found addressed in these notifications will be considered through an Apex Committee on half yearly or yearly basis and decision taken thereon will be notified to all concerned.

All the employers/recruiting agencies are also advised that the candidates should not be asked to produce certificates from AICTE regarding their eligibility/equivalence of degrees etc. since most of the issues are already covered in the Gazette Notifications issued by AICTE.
