FROM THE DESK OF Q.I.P. COORDINATORS (PHARMACY)

Your interest in Quality Improvement Programme (QIP) is appreciated and we hope that the information given in this brochure will provide you with a basic understanding of the programme and with the details of the specializations available at the Pharmacy 13 QIP Centres where you may like to pursue your higher studies. The brochure has been prepared to help you to decide whether you would like to apply for admission, and if so, to which institution and which specialization. The detail information is available with

(i) The QIP Information Brochure with application form available at website www.dipsar.ac.in/ www.aicte-india.org or contact the Principal QIP Coordinator.
(ii) A particular institution, or a particular department therein, you may write to the concerned department or the institution or the QIP Coordinator of the institution.

Please note that the last date for receipt of filled in application at our office is 15th March, 2019.

The procedure for admission for QIP involves:

- Calling for applications by the office of the Principal QIP Coordinator.
- Receiving the applications and processing by the office of the Principal QIP Coordinator.
- Short listing for interview and sending of call letters to those selected for interview.
- Recommendations by the Pharmacy QIP Centres Coordinators, based on interviews.
- Final selection of the candidates by the selection committee constituting of the Coordinators of QIP Centres.
- Admission by the institution where the final selection has been recommended by the selection committee.

You shall be hearing from our office about the selections and the formal admission. Any changes in the schedule of interview will be available on the website www.dipsar.ac.in so that you can plan your travel, particularly the train reservations, for attending the interview.

If you have any further clarifications you may contact the Principal QIP Coordinator at the following address.

With good wishes,

Yours sincerely,

Prof. D.P. Pathak
