

All India Council for Technical Education

Public Notice

**Rationalization of nomenclature for PG Diploma/Degree
Courses in Management**

AICTE being concerned about multiplicity/redundancy of nomenclatures in Management courses, has rationalized the nomenclatures and prepared a single list for PG Diploma and MBA Courses, which is available on the AICTE website with the link <https://www.aicte-india.org/sites/default/files/ManagementCourses.pdf>

All concerned AICTE approved standalone institutions offering PG Diploma level courses and universities offering MBA courses are required to go through the list and accordingly change the nomenclature while applying online for Extension of Approval (EOA) of the courses offered from forthcoming academic session 2020-21.
