Date: 01st August, 2024

CIRCULAR

To,

All Vice Chancellors of Technical Universities
Directorates of Technical Education (All States /UTs) and
All Directors/Principals of AICTE Approved Institutions

Subject: Report on “improving the culture of Research and Development (R&D) in State Universities and Institutes”

Respected Sir/Madam,

In order to strengthen the Research and Development (R&D) ecosystem in the State and the Private Universities/Institutes in the country and to create a conducive environment for research and development (R&D) in these universities, the NITI Aayog undertook a systematic approach, organizing a structured sequence of meetings with Vice Chancellors, Heads, other Senior Representatives from Universities and institutes spanning the length and breadth of India. After consultations, that were strategically divided based on geographical regions, including the National Capital Region of Delhi, the Northern, Eastern, Northeastern, Southern, and Universities in the Western and Central regions, a report has been published.

The scope of this report encompasses an in-depth examination of the current status of R&D in Universities and Institutes, highlighting the challenges impeding its growth. It serves as a roadmap for fostering a vibrant culture of research, innovation, and knowledge creation, aligning with national aspirations for excellence in the academic and scientific domains.

All the HEIs are requested to go through the report at:

https://www.niti.gov.in/sites/default/files/2024-06/StateUniRnD_FinalReport-Designedv3%20%281%29.pdf

Further, the HEIs are requested to:

- 1) Establish R&D cell at every institution with dedicated staff (if not done earlier)
- 2) Support all faculty and students to engage in Research and Innovation activities

The implementation of the recommendations contained therein, by your organization, will be instrumental in achieving our shared goal of transforming India into Viksit Bharat.

We deeply appreciate your time and engagement.

With warm regards,

Yours sincerely,

Dr. Dinesh Singh
Director-P&AP (AICTE)
