Dear Sir / Madam,

Greetings from All India Council for Technical Education....!

At the outset, AICTE conveys its sincere thanks for your committed ongoing support in all AICTE activities during this challenging COVID19 pandemic time. Special thanks for all those who have supported the successful completion of Approval Process 2020-21 in a complete digital online mode. The Council recognised the COVID19 lockdown situation and converted "Challenges into Opportunities"; we wish to inform you further that it is committed to facilitate and navigate through these challenges and progress in all endeavours. With the motive of bringing out a transparent, effective and more efficient system of granting approvals to the Higher Educational Institutes that offer various programs, the council is working meticulously on the Approval Process Handbook 2021-22.

In view of the above, AICTE invites suggestions and improvement measures ONLY from the policy perspective (with an eye on the National Education Policy 2020) from its stakeholders for bringing out a comprehensive Transparent & Accountable Online Approval Process Policy with necessary information on the processes involved under the aegis of AICTE in the form of Approval Process Handbook 2021-22. Accordingly, interested stakeholders are hereby requested to share their valuable suggestions / areas of improvement with respect to approval process policy of 2020-21 ONLY through an e-mail approvalprocess2122@aicte-india.org on or before 04-11-2020. AICTE is always committed to inculcate any changes that will bring improvement in the overall technical education system of the country.
