Q. Do you wish to Apply for 'Extension of Approval (EOA)?'

Clarification: Institutions having EoA / Not Approved last year/ EoA with Punitive action (don't want to restore/close the institution) can answer this question. If the institute is under punitive action with reduced intake in the previous year and wants to apply for restoration, can directly opt for Restoration question if applicable, because restoration is also a part of EoA.

STEP-01

- a) Go to "Questionnaire" Tab.
- b) Select "Yes" against "Do you wish to apply for 'Extension of Approval (EOA)'?"
- c) Select "Yes" or "No" against "Do you wish to apply for any change(s) as per the provisions of this year Approval Process Handbook?".
- d) If Last year approved Institute opting for "No" against question " Do you wish to apply for any change(s) as per the provisions of this year Approval Process Handbook?", then institute will be treated as only EoA category, i.e. whatever institute got approval last year, the same will be considered for AY 2021-22, if no issue is identified against the institute. The institute can update data related to infrastructure, Committees, Library, faculty, etc. if required.
- e) Based on the answer to question in point (b), for example if "Yes", then sub question will appear and accordingly institute must opt for a category, else validation will not be successful.
