F.No. 15-1/D-SDC/TSSC/2018
August 28, 2018

Sub: Letter to Institutes regarding Initiative taken by TSSC

Sir,

AICTE has been striving to continuously improve the standards of technical education such that competent technical human resource is made available to strengthen the Nation.

In line with the overall objective, AICTE has signed a Memorandum of Understanding with Telecom Sector Skill Council (TSSC). TSSC is an apex body that provides interface with telecom industry at National level. As part of overall enhancement initiatives in telecom sector, TSSC is developing necessary framework for standards, curriculum and quality assurance at all levels in vocational/technical programs. Presently, TSSC has 144 Industry partners, 453 training partners and 600 academic partners that work in harmony to ensure that adequate skilled manpower is available to boost growth and productivity in telecom sector. Thus, the MoU between AICTE and TSSC aims to synergize the efforts to facilitate the students in attaining the desired objective.

The salient points of the MoU are:

1. The outcome based skill training being provided by TSSC will now be treated as equivalent to internship and hence will be in consonance with requirements of the curriculum. An approved certificate will be issued to all participants.
2. TSSC Train the Trainer (TTT) program may be run as a Faculty Development Program (FDP) and can aid the faculty to enhance their pedagogical skills.
3. TSSC shall permit the students of AICTE affiliated colleges to access Recruitment Management System (RMS) for improving their avenues of employment.

You may contact TSSC representative Mr. Suprateek Gulia at govt-academia@tsscindia.com or 0124-4148029 for more details.

The MoU can be viewed on the AICTE website -
https://www.aicte-india.org/downloads/mou_aicte_tssc_22_6_17.pdf

The institutions are requested to publicize / share this information such that maximum benefits may accrue to the students.

Regards,

To,

The Principal
(All AICTE Approved Institutions)
