To,

All the Vice Chancellors of Technical Universities
The Directors/Principals of AICTE approved Institutions

Subject: Wheebox Global Employability Test 2024-reg.

Respected Sir/Madam,

Greetings from AICTE!

We are pleased to inform you that the partnership between All India Council for Technical Education and Wheebox-ETS (Educational Testing Service) in mapping employability skills of the students of higher educational institutions yielded tangible results and the effort culminated into building **India Skills Report 2024** which was unveiled in the month of November 2023, in the presence of esteemed government and industry dignitaries. Salient insights from report are attached for perusal please.

AICTE and Wheebox-ETS are now launching **India Skills Report 2025**, The theme for this year's report is "**Global Talent Mobility**", where we are assessing global employability market and potential outreach for our students.

To make the initiative move further, you are requested to facilitate conducting of **Wheebox Global Employability Test** by your students in an online mode. The purpose of this test is to measure critical competencies of candidate's employability. The outcome of the test shall help your institution identify core strengths and areas of improvement of students.

We shall appreciate and look forward to your support to spread the reach of this fruitful exercise and enable its promotion in wider gamut of Engineering & Technology and Business Schools along with universities in India.

You may please register institutional nomination at www.globalemployabilitytest.com and register at the earliest. Students need to also register individually on <http://www.globalemployabilitytest.com> and take the test. The test will commence from 22nd July, 2024 and will close on 30th Sept 2024.

The transcripts and certificate of the employability test will be available at **NO COST** to the candidates and institutions. The Confederation of Indian Industry (CII) that partners Wheebox ETS shall also seek nominations from all test takers to participate in Regional Job Fairs.

For any information or clarification, you can connect with the representative from Wheebox Global Employability Test Manager -*Mr. Subhankar Ghosh*, +91 9059012184 or sgghosh008@ets.org between 10 AM to 6 PM on working days. Let us collaborate to make the event successful by the active participation of all final year students.

We deeply value your time and engagement.

With regards,

Yours sincerely,

(Dr. Dinesh Singh)
