To,

Vice Chancellors/DTE's of State/UT

Subject: Request for approval for Working Professionals, Vocational Courses, and VLSI Courses- reg.

Sir/Madam,

AICTE is now approving courses related to Working Professionals. AICTE has granted approval to 414 institutes so far with a total intake of 37,845 students. We request all universities to extend approval for these courses to your affiliated institutions.

Furthermore, we would like to inform you that from this year onwards, AICTE has permitted all its approved institutions to offer vocational courses without requiring individual AICTE approval. Instead, these institutions can now obtain direct approval from the respective Universities/Boards. Therefore, we kindly request you to grant approval for vocational courses to all AICTE-approved institutions, even if they do not have specific AICTE approval.

Additionally, in consideration of national interest, courses in the VLSI domain have been approved for many institutions. AICTE requests that you approve all such VLSI courses for the respective institutes.

Thank you for your cooperation.

Sincerely,

(Rajive Kumar)
Member Secretary
