**Subject: AICTE Approval Process 2022-23: Proposal for New Courses (Nomenclatures)**

Dear Sir / Madam,

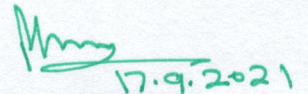

Greetings from All India Council for Technical Education...!

It is with great pride and gratitude, the council acknowledges all the stakeholders for their unflinching commitment and support rendered in all the initiatives of AICTE particularly in the Approval Process 2021-22. It is worth highlighting that the council is working meticulously on various measures for the quality improvement in Higher Educational Institutes, notably in Institutions offering Technical Education. It is also worthy to record that the Approval Process of 2021-22 had some major and effective changes as advocated in the National Education Policy (NEP) 2020.

It is seen that during the Approval Process 2021-22, many institutions Universities have made use of the policy changes which are inline with NEP 2020 such as *Introduction of new course(s) in emerging area(s) / Increase in intake in emerging area course(s) / introduction of OL&ODL course(s) / Introduction of regional language Course(s), etc.* It is noteworthy from NEP perspective a holistic and multidisciplinary education will help to improve quality of Technical Education. In this regard, introduction of more number of new courses in emerging area(s) would help the student community in their goal of employability or entrepreneurship. Accordingly, the support from the Affiliating Universities / Board / concerned State Government is inevitable to cater these proposals.

In view of the foregoing, it is requested to furnish the list of any such approved new courses, by the Governing Body/ Academic Council / Board of Studies along with detailed curriculum to AICTE to consider and include in next year's Approval Process Handbook 2022-23 Course nomenclatures (after going through formal procedure). The communication in this regard should be sent **ONLY** through **online form available @ [https://facilities.aicte-india.org/survey/nomenclature\\_APH.php](https://facilities.aicte-india.org/survey/nomenclature_APH.php)** with necessary details such as detailed syllabus, resolution, etc. so as to reach AICTE latest by **15-10-2021**.

Regards,
