## Bharat Padhe Online portal: Intensifying Online Education!

Dear Educationists,

In line with the goal of nation building, MHRD has been committed to providing quality education to all. In this direction, efforts are being made to create a robust and widely accepted system of education in India.

Recognizing the immense potential of technology in contributing towards nation building and in expanding the existing capacities of teaching methodology including e-learning, government has initiated several innovative steps using technology as a platform. One of the latest initiative in this regard is development of “**BharatPadhe Online portal**” to invite ideas for improving Online Education in India, with specific thrust on e-learning. Please find below the banner on Bharat Padhe Online: Intensifying Online Education!

The banner features the MHRD logo and text: "MHRD | Government of India | Ministry of Human Resource Development". The main heading is "Bharat Padhe Online : Intensifying Online Education!".
