Background
The Government of India launched the Quality improvement Programme in the year 1970. One of the main objectives of the programme is to upgrade the expertise and capabilities of the faculty members of the degree level institutions in the country. The programme is now being implemented and monitored by All India Council for Technical Education. In “Quality Improvement Programme” only sponsored teachers are eligible for admission to both Master’s & Doctoral Degree Programmes, with the aim to enable the teachers to acquire Master’s & Doctoral degrees and imbibe in them a culture of research and better teaching educational capabilities by exposing them to the environment of the institutes of study.

Present Status
Providing opportunities to faculty members of the degree-level and polytechnic level engineering institutions to improve their qualification by offering admissions to Master’s (only for teachers from polytechnics) and Ph.D. degree Programme.
